August 2018 South Central Newsletter

There is a new program that our National President, Jon Walker has put in place. This program is called "FMCA ENERGIZED". It is a committee run program, like most of our national programs, and is a search to help identify those in our organization with special talents that could make FMCA stronger and more fun for everyone. There will be a survey out to everyone soon to help identify and make use of those with SPECIAL talents or skills. When you see the survey, please fill it out and help us make FMCA grow.

There was a lot of fun in Gillette, WY. More information will be in the upcoming Family RVing Magazine. Perry this coming spring will be a great International convention to attend. Everyone needs to go to Perry as it is almost a perfect site for FMCA. Also don't forget the 100th Anniversary celebration in Minot, ND next summer. More to come as plans are finalized.

The South Central Area will be celebrating it's 45th birthday at Shawnee, OK during the rally being held Sept 19th through the 22nd of 2018. This is just around the corner and you should plan on being there. National Officers will be there to explain all the new FMCA benefits as they are too numerous to list here. We have a "SPECIAL" treat in store at our rally in Shawnee this September. We will have John & Brenda Nejedlo there and they will set up telescopes to view the Moon and Stars (weather permitting) and you can also view them for free. They will also be giving a telescope away.
