June 2016 South Central Area Newsletter

Greetings to everyone in the South Central Area of FMCA.

Since I took office in December of 2015, a number of important events have taken place.

With the help of our webmaster, Doug Thompson, and Program Book Editor, Earl Powell, we have updated the look and form of our website – www.sca-fmca.com – to the level you can actually access important information.

Plans for our rally this September (September 12 – 15) in Shawnee, Oklahoma, are moving forward with the rally theme of Oklahoma Stampede. Ethel and I look forward to rekindling friendships and visiting with everyone present at our rally.

Remember, we will have 50-amp, full-hookup sites as well as 30-amp sites with water. Register early to ensure you have all the amenities available.

Your Executive Board and Site Selection Committee are searching throughout our Six-State Area for suitable rally locations. Our goal is to secure locations that provide the amenities we have all come to expect while keeping costs and resulting rally fees as reasonable as possible.

Something NEW ... www.RVillage.com. If you have not checked out this website, it's time you did. This is the new social networking site created expressly for RVers. Gaye Young, National Secretary, will be conducting a seminar in Shawnee – plan to attend.

Also – CVS will be present to provide flu shots and conduct other health checks. Check our website, www.sca-fmca.com, for details.
