November 2018 South Central Area Newsletter

Well, another year is almost gone. A lot of us feel the first taste of the winter that will soon be keeping us indoors. Others are packing for the trip south or have already left for the warmer climates in Texas, Arizona, or Florida. May your trip be safe, your winter tolerable, and your hearts as warm as a winter's fireplace. Happy Thanksgiving and Merry Christmas to all.

FMCA has made some tremendous progress this year with new benefits, new programs and a balanced budget with expenses below the line for the first time in many years. We have stopped borrowing from our investment accounts and will start returning money to them, which reverses a trend that has been going on far too long.

The South Central Area celebrated its 45th birthday at Shawnee, OK, and had a total of 348 units present. John and Brenda Nejedlo were there and set up telescopes to view the moon and stars. The weather did not cooperate, but the Nejedlos who joined FMCA in 2017, decided to upgrade to a life membership. They are South Central members and plan to join a chapter after visiting several and getting to know other members.

Our next rally will be in Shreveport, LA, and is named "A FAIR TO REMEMBER." We will be having a Cajun Cookoff and many special-themed activities. We are still working on a lot of the details, but they will be published on our website as soon as they are finalized. The website changes on a daily basis. Check it often for the latest news and rally information.
